Requirements for membership:

- Each student is chosen based on their cumulative average from the first semester through the fifth six-weeks grading period of their 7th grade year.
 - Students will participate in the organization during their 8th grade year.
 - This average must meet or exceed an 89 average.
- Once a student becomes a member, each must maintain at least an 89 average to remain involved with the organization.
 - If a student fails to meet this requirement, they will receive a letter that they have been placed on probation.
 - Each student has the next six-weeks to bring up their average.
 - If a student fails to bring up their average by the next six-weeks, they will receive another letter stating that they have been removed from the organization.
